

# CAREMERGE VOICE

Bringing **Scale & Security** to Voice Technology Initiatives.

**Alexa Skill:**

*“Alexa, what are the **announcements** today?”*

..... Empower residents to ask about .....

Activities & Events

Announcements

Dining Menus

Directory Information

Mail Status

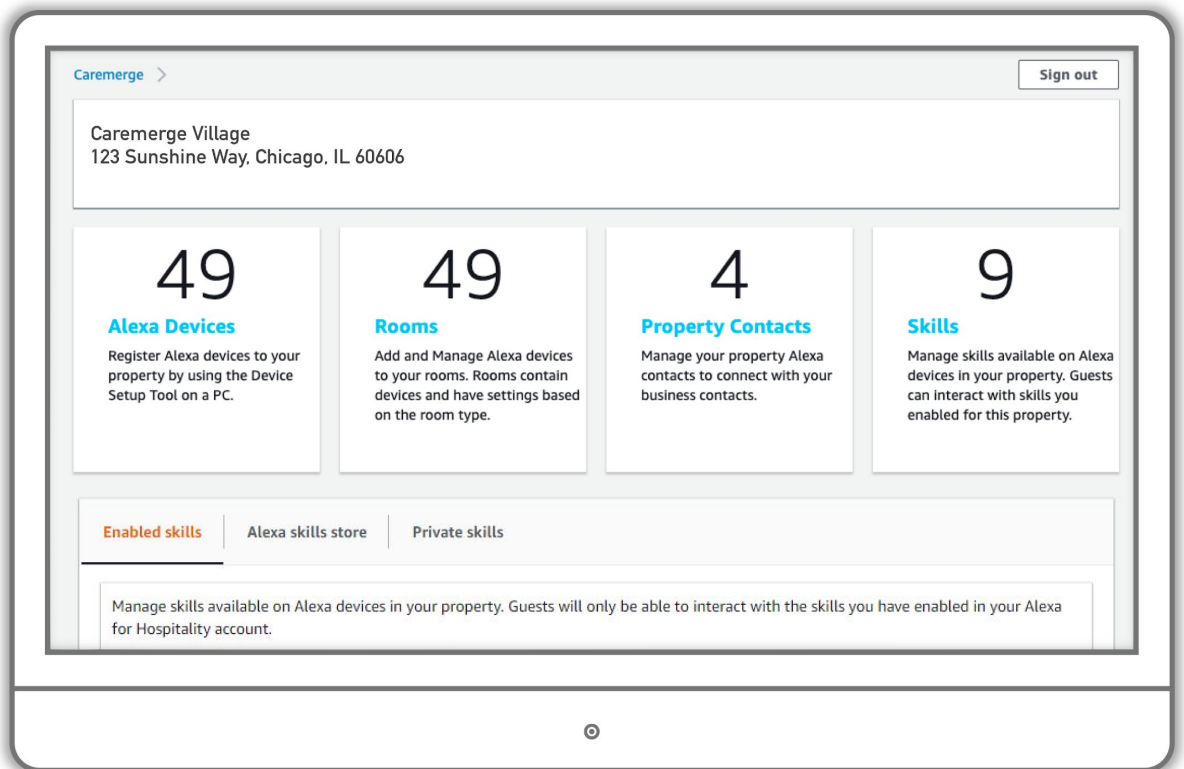

Work Orders

Plus, **Community Event Sign Up** – Residents can *register* for activities & *get reminded* about upcoming events.

## Fleet Management

**Expedite setup & streamline management** of your community’s Alexa devices from one simple dashboard.

### Additional **Benefits:**

- Scalable, Centralized IT Support
- Pushed Reminders, Notifications & Announcements
- Natural Voice Search – *“Alexa, what time is yoga today?”*
- Customizable Community Phone Directory
- Cost-Effective Smart Home Strategy
